

# *cygnus 27 - private dining*

High atop the Amway Grand Plaza Hotel's glass tower, reside two private dining rooms suitable for the most intimate occasions. Sky 1 and Sky 2 offer an unprecedented destination for wedding or birthday receptions, anniversary and rehearsal dinners, dinner programs and more.

Sky 1 comfortably seats thirty-six people, forty-five maximum, and has a 50 inch flat screen television for presentations or other imagery displays. Sky 2 can host up to twenty guests for a more intimate dinner setting. Both rooms can also be combined for private hors d'oeuvres receptions for up to 100 guests.

Cygnus 27's chef de cuisine Werner Absenger has masterfully created several menus offering guests the dining experience of their choosing. Optional customized menus are available for theme dinners and receptions. Menus are subject to change.
